

MEET LAURA BRADFORD

SATURDAY NOVEMBER 8, 2014 10AM

GOSHEN PUBLIC LIBRARY, 42 NORTH STREET, GOSHEN, CT

Laura Bradford is the national bestselling author of the Amish Mysteries, set in Lancaster County, PA. The series features, Claire Weatherly, an English shopkeeper, and Jakob Fisher, former Amish turned police detective, in the fictional town of Heavenly, PA. Because the series centers around the Old Order Amish, Laura must research the Amish prior to writing each book. During her visit with us at the Goshen Public Library on November 8th, she will discuss some of the fascinating things she's learned about the Amish and how she's turned that knowledge into a successful mystery series. Laura will be signing books after her talk.
