

Goshen Public Library

42B North Street, Goshen, CT 06756 860.491.3234 frontdesk@goshenpublib.org

A special thank-you to The Friends of The Goshen Public Library for purchasing new library cards. These cards are special for they have a picture of the library on them and they are made of plastic. If you have an existing card (even if you have misplaced it) please come into the library and pick up a new card. If you don't currently have a card and are a resident of Goshen come in and we will issue you one.

Connecticut residents are to obtain a library card from the public library of the town in which they live. This card can be used at almost all Connecticut public libraries. Please print out this application, fill in the information and bring it with you the next time you come into the library and your card will be issued.
